

## **Robert Smits**

Assistant Professor, Mathematical Sciences, New Mexico State University,  
Las Cruces, New Mexico 88003

Office: 505-646-2884

Email: rsmits@nmsu.edu

### **Education**

1996 Ph.D. Mathematics, Purdue University  
1988 B.S. Mathematics, Minor in Economics, University of Nebraska

### **Professional Experience**

2002-Current Assistant Professor, Mathematical Sciences, New Mexico State University  
1999-2002 Assistant Professor, Mathematics Department, Towson University  
2001-2002 Adjunct Professor, Engineering Program, Johns Hopkins University  
1998-1999 Visiting Assistant Professor, Mathematics Department, Syracuse University  
1996-1998 Postdoctoral Research Assistant, Agronomy Department, Purdue University

### **Primary Research Interests**

Stochastic transport of chemicals and biological mechanisms in porous media; real and stochastic analysis; applied probability; partial differential equations; eigenvalue problems
