

FALL 2026

Grant Trainings & Workshops

READ THE RFP IN 10 MINUTES

October 2, 11:00-12:00

Milton 50 (Teaching Academy)

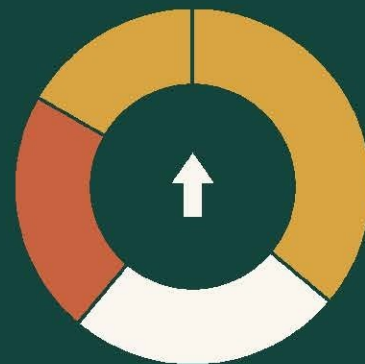

In this hands-on workshop participants will learn how to quickly and effectively read requests for proposals to determine whether it's worth the time to write a grant. Participants should bring a funding opportunity relevant to their own research/outreach activities. No registration needed.

2026 Federal Funding Landscape Info Session

November 18, 3:00-4:00 OR November 20, 11:00-12:00

Milton 50 (Teaching Academy)

This information session will discuss changes in federal funding agencies, new federal funding rules, and will recommend strategies for grant seeking and grant writing in our current funding climate. The same session is offered at two different times; you only need to attend one session. No registration needed.
