NMSU UAS (Drone) Flights

The process to fly a drone at NMSU

Preparation

- Obtain your Part 107 Certificate
- Register your sUAS/drone with NMSU ($5 FAA fee required)
- sUAS/drone must have the proper markings on the outside
- Apply for NMSU Insurance
- Attend the NMSU sUAS Workshop ($130 per person)
- Completed sUAS/drone proficiency check flight

Prior to Flight

- Complete the steps above
- Drone inspected by PSL and approved for flight
- Confirm you are insured
- Request online for flight operations and receive approval
